MEMBERSHIP
Membership runs for 12 months, with the season running from October to September. If you join after the start of the contribution year, fees are charged for full months only. Membership renews automatically for a further 12 months each time. It can be cancelled in writing at any time with 4 weeks' notice. Fees already paid are not refunded, and pro rata season fees are not paid out. The membership fee including department fees (see base fee and department fees above) is due in the first two weeks of November each year. If you join during a term, it is due four weeks after signing this application. Amounts are collected by SEPA direct debit. By signing, the member and the parent or guardian accept the club's statutes. Membership is not transferable. The statutes (in German) are available at eifel-mosel-eishockey.de/contact-us. Please report any changes to your details, in particular a change of name or address, without delay.

I apply for membership of Bitburger Eissportverein e.V. and accept the statutes. I have received the privacy notice (page 4). If the contact person's own supporting membership is ticked, the contact person applies for it with their signature.
